

Executive Office,
March 11, 1929;

Prayer of Erath

TO THE HONORABLE HOUSE OF REPRESENTATIVES OF THE 41ST LEGISLATURE:

I herewith return House Bill No. 267, being

" AN ACT amending Article 941a of the Penal Code of Texas by striking out the counties of Erath and Hood, and declaring an emergency."

This bill attempts to amend Article 941 a of the Penal Code of the State of Texas. It passed the House of Representatives on February 8, 1929, and passed the Senate on February 27, 1929. House Bill No. 251, which amends Article 941a of the Penal Code, passed the House of Representatives on February 8, 1929, and passed the Senate on February 27, 1929. These two bills passed in the House and Senate, respectively, on the same days, and attempt to amend the same Article, and are in conflict with each other.

I have approved House Bill No. 251, but I veto House Bill No. 267 because of its conflict with House Bill No. 251, and return herewith the vetoed bill.

Respectfully submitted,

Allen Mumby
Governor.
